

KS-810 POUCH CUTTER

*BEST SOLUTION for
LARGE POUCH
CUTTING!!*

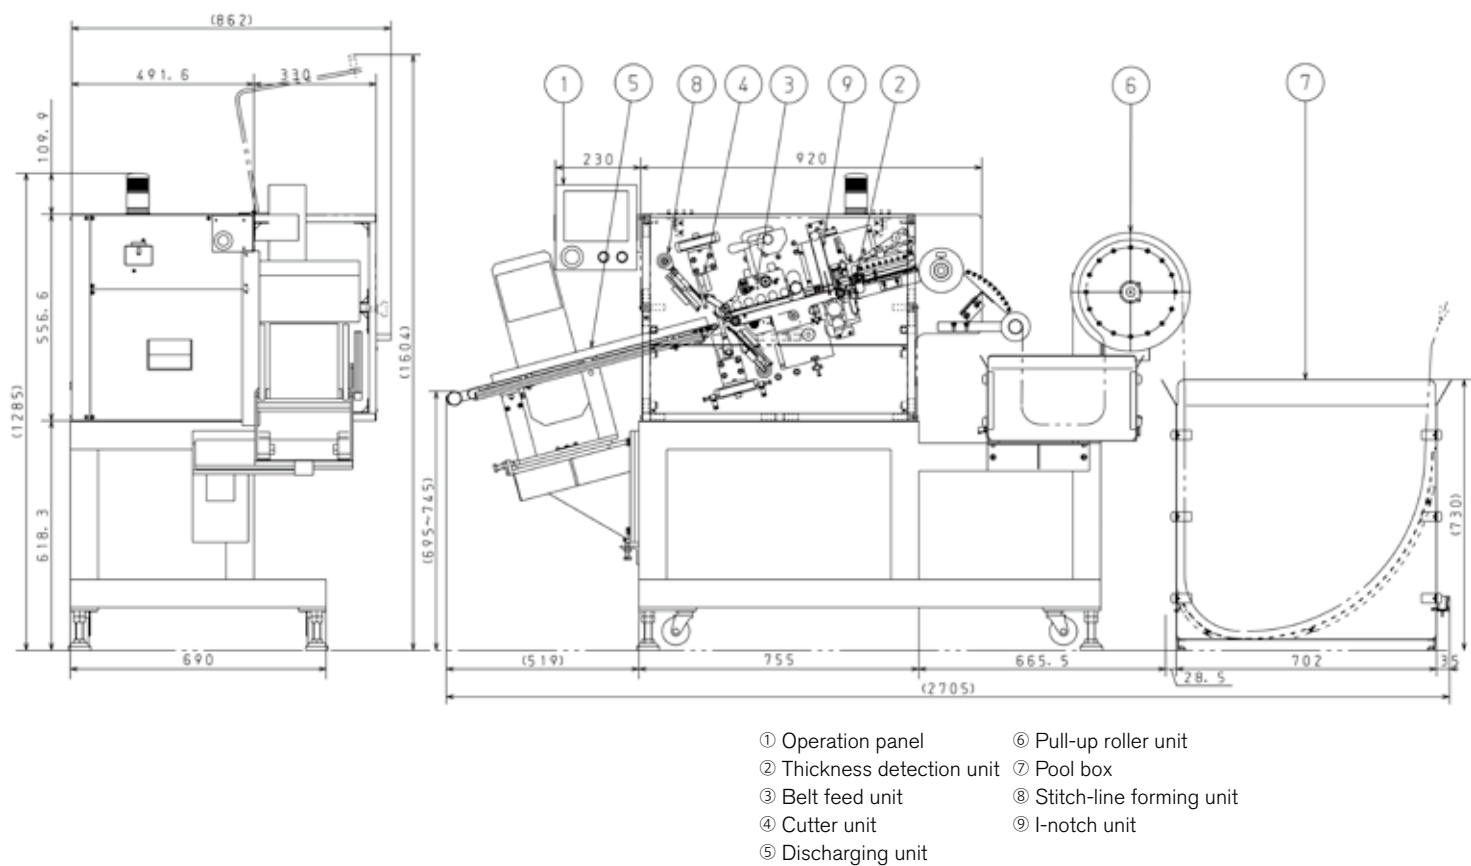

Features

- Horizontal feeding method is adopted for efficient cutting, stitch-line forming & notch cutting on large sized pouches
- Pouches up to contents of maximum 300cc
- Angle adjuster is adopted on cutter unit & stitch-line forming unit to prevent diagonal cutting
- Notch position & depth is adjustable during operation. Diagonal notching is capable for easier corner cuts
- Easy operation by 5.7" color touch panel
